Brand new Ford Everest Trend 7 seater 4x4, finished in great looking ALUMINIUM duco. The distinctive grille with chrome centre bar and the iconic C-Clamp LEDs creates a rugged look. Steel underbody protection and chrome fog rings bring it all together. The machine-face finished 18" alloys complement the exterior colour finishes. A sweeping instrument panel design increases the sense of space and width in the cabin. The digital instrument cluster and integrated 12-inch centre LCD touchscreen are surrounded by premium materials and finishes. Contemporary brushed finishes and bright accents provide a striking contrast to Trend's Ebony Black interior. The supportive seats with additional bolstering feature leather accented trim, (excluding 2nd row middle seat and 3rd row seats) with stitched detail and patterning.
